## **Kentucky Venues Announces New Sales Manager for the Kentucky International Convention Center**

**LOUISVILLE, Ky. (Jun. 7, 2019)** — Michael Gray will join the Kentucky Venues Sales Team at the Kentucky International Convention Center (KICC) on July 1. Gray most recently worked as a Sales and Marketing Manager for the Kentucky Department of Fish & Wildlife Resources and the Tourism, Arts and Heritage Cabinet. He has 15 years of experience within the cabinet.

“I have always been a strong ambassador for the city of Louisville and all the wonderful attractions it offers. I’ve worked hard to bring tourism, business and meetings to the city. Working at KICC, I will be able to continue that mission on a daily basis,” said Gray.

Before joining state government, Gray worked in the sales departments of GE, Pharmacia Corporation and Provident Bank. He graduated from Morehead State University in 1992 with a bachelor’s degree in Business Administration Marketing.

“We’re excited to bring Michael onto our team. His experience working in both the private sector and state government will be an asset as we continue to attract new and returning business to our beautiful downtown convention center,” said David S. Beck, President and CEO of Kentucky Venues.
